“CLAY FACES – MASKS”

Ann Gleason – Instructor

Sept 21 – Oct 26, 2021

Tuesdays- 9:30-12:30

Level: Intermediate, advanced

During this 6 week class we will be working on several clay face/mask forms suitable for hanging on the wall. The face is one of the hardest forms for artists to grasp and by concentrating on sculpting faces over several projects, you will advance these skills. We will start our first mask project concentrating on sculpting the human face; first striving for realism looking closely at individual features. Next we will move towards more stylized mask and in subsequent masks you will branch out to animal or anthropomorphic faces. We will explore various options for carving, decorative textures for clay and finishing these characters with under-glazes, slips, patinas and acrylics.

Cost-\$160 Members; \$175 Nonmembers

Materials cost- \$30 clay and additional finishing materials.

Minimum age 16

Class limit -5 students, min. 4
